SKILL

- **Languages**: Python, C++, C, Java
- **Frameworks** HTML, CSS, Flask, React.js, Node.js, Tailwind CSS
- **Tools/Platforms**: Linux, Bash, Shell Scripting, Docker, VS Code, MySQL, MongoDB
- **Soft Skills**: Problem-Solving, Team Player, Empathy, Time Management, Leadership

PROJECTS

Talko Chat – Real-time chat application | Link — Oct' 25

- Developed a real-time messaging platform supporting one-to-one and group chats with instant message delivery and persistent chat history.
- Implemented backend systems for user authentication, chat session management, message storage, and live updates using event-driven communication.
- Built a clean, responsive chat interface with features like typing indicators, real-time message rendering, and stable multi-user performance with near zero lag.

Tech Stack: HTML, CSS, TypeScript, Node.js, Express.js, PostgreSQL, JSON, Git

Smart Cut – Online salon booking website | Link — Aug' 24

- Created responsive full-stack salon booking platform enabling users to explore salons/barbers, view portfolios, check availability, and book appointments seamlessly.
- Delivered secure user authentication and backend APIs to manage bookings, time slots, services, and user data efficiently.
- Designed an intuitive frontend and admin panel to streamline appointment management and improve the overall digital booking experience.

Tech Stack: HTML, CSS, TypeScript, Node.js, Express.js, PostgreSQL, JSON, Git

TRAINING

Centre for Professional Enhancement | Link — Jun' 25 – Aug' 25
React & Node.js Development

- Completed a full-stack development training organized by Lovely Professional University, covering modern frontend and backend development workflows.
- Gained hands-on experience in building responsive web interfaces using React, component-based architecture, and state management concepts.
- Worked with Node.js and Express.js to develop Restful APIs, manage server-side logic, and handle database interactions.
- Launched end-to-end web application modules integrating both frontend and backend components, improving understanding of full-stack project structure.

CERTIFICATES

Full Stack Development in React and Node by Lovely Professional University | Link — Aug' 25
Cyber Security and Privacy by NPTEL (IIT Madras)| Link — Oct' 25

CO-CURRICULAR

Solved over 100+ problems on major coding platforms — Nov' 25
Participated in AWS workshop. — Apr' 25
Attended a Machine Learning introductory seminar conducted by industry expert — Feb' 24

EDUCATION

Lovely Professional University — Phagwara, Punjab
Bachelor of Technology - Computer Science and Engineering; ***CGPA: 6.87*** — *Since Aug' 2023*

Morning Star Children Academy — Orai, Uttar Pradesh
Intermediate; ***Percentage: 70%*** — *Apr' 20 – Mar' 22*

BNSD Shiksha Niketan Inter College — Kanpur, Uttar Pradesh
Matriculation; ***Percentage: 90%*** — *Apr' 18 – Mar' 20*
